Sir:

In accordance with 37 CFR §1.56, and in recognition of their duty to disclose to the United States Patent and Trademark Office relevant information known to be material to patentability, Applicant submits copies of the references listed on the attached form PTO/SB08a.

Applicant points out that Japanese Patent Application No. 10-255862 cited in the German Office Action appears to have been cited in error. It appears that the correct Application No. should be JP 10-256862, which was previously cited in an Information Disclosure Statement submitted on February 13, 2006.

The statement is not a representation that all of the information cited is necessarily effective as prior art against the application.

Applicant respectfully requests that the references be made of record in the subject application.

Respectfully submitted,

Dated: August 23, 2007
